Why are we Fundraising?

The purpose of the Silent Auction is to fund our current Mind & Body development. Not a single dollar is being distributed to the CIJIK staff. Every dollar is going towards offering the following programs listed below. If we can raise at least \$25k, CIJIK will be able to offer free:

- 1) Professional counseling through our digital site from licensed counselors for USA soldiers and those unable to afford a psychologist.
- 2) Digital personal training, physical therapy, yoga, meditation and much more natural rehabilitation.
- 3) Free tutors activities for underprivileged kids that suffer from a mental illness including: music lessons, surf lessons, yoga, meditation, and educational field trips.
- 4) A custom "Reedit" style blog that will focus on academic conversations on topics surrounding addiction, suicide, overdose, mental health and more. This will allow suicide survivors and those who suffer a real chance to express their ideas and feelings in a safe monitored environment.
- 5) A custom Movie and Music database, based on CIJIK user reviews for dealing with their depression, mental illness, pain, grief and any emotion that others can connect with.
- 6) Free Monthly assemblies and classroom presentations for Middle School and High Schools across the USA from Miss USA 2006 Tara Conner and Rehabilitation Expert and CIJIK Founder Dustin Rhoades.
